Notice of Non-Compliant Amendment

An amendment dated 11/05/2009 is considered non-compliant amendment because it fails to include/present a complete listing of all of the claims as required under 37 CFR 1.121.

Beside that, there are different lists of claims presented in this application due to the numbers of amendments filed therein. This would make the record of this application so confused. Therefore, a complete listing of all of the claims in a proper format is necessarily needed for this application.

Applicant is reminded that this is a reissue application; therefore, all newly added claims other than the original claims must be entirely underlined (see list of claims dated 05/04/07 in this present application for example). The complete listing of all of the claims could include **claim 21** which was corrected in a certificate of correction as an **original claim**. Also, a supplemental oath/declaration is required to be filed with the amendment since this application appears to be in condition for allowance except for the requirement of the complete listing of all of the claims.

Since the reply filed on 11/05/2009 appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH** or **THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to submit an amendment in compliance with 37 CFR 1.121 in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a). See time periods set on Form PTOL-234 for more details.
